Summary

I am Kishan Nakrani , as a recent third year BCA college student, where I am doing cyber security course with network administration knowledge, include back-up, security management, e-mail system and applications support. Where I got the news from the Gujarat Samachar at 25/9/2018 as your company systemnext Pvt Ltd need the post for hardware engineer.

Looking forward to an opportunity for working in a dynamic, challenging environment, where I can utilize my computer skill in all phases of the hardware and software development cycle.
